The Essa Public Library is committed to finding ways to provide Library service to all the residents of Essa Township.

If you are now homebound and find it difficult to visit the Library branches in Angus or Thornton, we hope that you will enroll in our Homebound Program. Library Staff will match you with a compatible volunteer, who will be responsible for selecting titles you will find interesting. The volunteer will deliver these items to your home on a regular schedule and then pick them up to return to the Library. All our volunteers must first pass a Police Check by the Nottawasaga Detachment of the OPP. The Library rules are very flexible for Homebound borrowers and you will not be charged fines for overdue loans.

The Library has a growing selection of regular print books, large print books, books on tape and compact discs, dvd's and magazines. If there are particular titles that you would like, we will add your name to request lists. If we do not have a title, we will try to request it from other libraries in Ontario through Interlibrary Loan. It can then be picked up and returned by your volunteer.

To enroll in the Homebound Program, please contact us at the Angus Branch, 705-424-6531 or the Thornton Branch, 705-458-2549. You can also print out this form and have someone bring or mail to either Branch.
